

# TO SUMMARIZE WRITTEN TEXT TEMPLATE

## Simple Strategy: S1, and S2, but S3

The easiest and safest method is:

### **Step 1 – Copy three important sentences from the passage:**

- S1 – from the beginning
- S2 – from the middle
- S3 – from near the end

### **Step 2 – Join them in ONE sentence using:**

- “, and”
- “, but”

So the structure becomes:

S1, and S2, but S3.

(The full stop must only be at the END.)
